

What heritage artifact is hidden behind these bushes?

Help us find out.

The CNP Memorial Society is looking for volunteers for a work-bee in the Blairmore Old Union Cemetery, Saturday September 7, from 10am to 3pm. We will be clearing brush from around headstones which are presently inaccessible or obscured. We will NOT be working on headstones, or cutting trees. Volunteers should bring lunch, water, gloves and other protective gear, and loppers, saws or even a chainsaw if you have one. Collection of debris from the parking lot will be done by the Municipality. Please RSVP by emailing Ian at lynnian@shaw.ca , but drop-ins are also welcome.
